A WEEKLY DOSE OF STYLE SERVED TO YOU
FRESH EVERY THURSDAY AFTERNOON

BIG IT UP!

Oh yes, costume rings are a big thing for summer to team with glorious maxi-dresses, but really, why go costume when you can have the real thing? Like this super-sized, super-chic green tourmaline ring from Venerari? We are mesmerised by it - and madly planning appropriately swirly, glamorous outfits to go with it.

Plunge ring, \$4,500 from Venerari
